PROMOTION

PSM-Q | COMPLEX SIMPLICITY

Promotion ends 10th May 2024

Celebrate the success of our PSM-Q installations in Europe with our exclusive Australasia promotion!

Aurelia Group, an Australian-founded and owned company, is offering special rates, at a fraction of the normal list price of AUD400,000, for the first three PSM-Q units sold in Australasia:

- The first unit sold will be priced at **AUD149,000**
- The second unit sold will be priced at **AUD185,000**
- The third unit sold will be priced at **AUD240,000**

This promotion is valid until **10th May 2024***.

The PSM-Q is the first, reliable, non-destructive on-line stiffness measurement designed for commercial paper machines that reports important paper strength properties continuously as the paper is being manufactured.

By embracing the PSM-Q, you'll discover benefits such as:

- lower costs
- increased efficiency
- reduced waste
- sustainability forward practices

Elevate your operations and position your company as a leader in innovation. Don't miss out on this opportunity to revolutionise your business with Aurelia Group and the PSM-Q.

Contact us today to learn more and secure your place in this exclusive promotion!
